CME AUDIT REPORTING FORM

IF YOUR LICENSE NUMBER WAS RANDOMLY SELECTED FOR CME AUDIT OR YOU ARE REQUESTING AN EXTENSION, YOU MUST REPORT YOUR CONTINUING MEDICAL EDUCATION ACTIVITIES SINCE YOUR LAST RENEWAL

In order to maintain a license to practice osteopathic medicine in the State of Arizona, you are required to complete forty (40) hours of CME during the two calendar years preceding this renewal, meaning this year and last year (A.R.S. § 32-1825(B)). Twenty-four (24) of the forty (40) hours must be AOA Category 1-A. The remaining balance of sixteen (16) CME may be any category including AMA Category 1.

1. Please complete the bottom portion of this form to identify the CME courses you completed since your last renewal. If you earned more than forty (40) hours, you do not have to report the extra hours.

2. Attach documentation of CME: Accepted documentation -- your AOA CME Activity Report, your certifying board's CME activity report, and copies of Certificates of Completion for CME not otherwise accounted for on the CME Activity reports. CMEs obtained prior to this renewal cycle will not be accepted.
