**FINDINGS OF FACT, CONCLUSIONS
OF LAW AND ORDER OF PROBATION**

The Arizona Board of Osteopathic Examiners (hereafter "Board") held a public meeting on December 9, 2000, regarding Basem Meri, D.O. (hereinafter "Respondent"). Following the Board's review of information and evidence obtained pursuant to A.R.S. § 32-1855 and § 32-1855.01, and having considered the evidence and information in the matter and being fully advised, the Board enters the following Findings of Fact, Conclusions of Law and Order of **PROBATION**.

FINDINGS OF FACT

1. The Board is empowered, pursuant to A.R.S. § 32-1800, et seq to regulate the licensing and practice of osteopathic medicine in the State of Arizona.
2. Respondent is a licensee of the Board and the holder of License No. 3370 for the practice of osteopathic medicine in the State of Arizona.
3. On August 22, 1998, during its public meeting, the Board reviewed Respondent's application for license during a public meeting. The Board has reviewed Respondent's application for license and conducted an interview with Respondent during a public Board Meeting concerning the Respondent's medical history and prior addiction to a controlled substance and all other relevant issues concerning his qualifications to obtain a Board license. The Board also reviewed information

regarding Respondent's current participation in the Michigan's Health Professional Recovery program. The Board has arrived at its finding of fact based upon all the information provided to the Board and made a part of the administrative record.

4. On August 22, 1998, during its public meeting, with Respondent present, the Board authorized preparation of a stipulated consent order granting Respondent a license to practice as an osteopathic physician in the State of Arizona; but, said license shall be placed on probation and subject to specific restrictions that are set forth more specifically hereafter.

5. On February 15, 2000 Respondent tested positive for Propoxyphene-N. Respondent informed the Board's Staff that he had been treated at Yuma Regional Hospital and that he forgot to put the medication on his required medication log.

6. On or about February 23, 2000, Respondent attended the Impaired Physician Meeting and informed the Board Staff that he had changed treating physicians and was now being treated by Guerrero Zonis, M.D. Respondent informed the Board Staff that Dr. Zonis was prescribing him Celebrex, Elavil and Lortab. Upon questioning, Respondent informed Board Staff that he had provided a copy of his Board Order to Dr. Zonis.

7. On or about April 5, 2000, Respondent, upon questioning by Board Staff, asked whether or not he had informed Dr. Zonis of his Probationary Order. Respondent stated that he had informed Dr. Zonis that he was under probation for substance abuse.

8. On or about May 17, 2000, Respondent appeared at the Impaired Physician Meeting and once again informed Board Staff that he had informed Dr. Zonis of his probationary order.

9. On or about May 30, 2000, Respondent failed to appear for a required urine drug screen.

10. On or about June 5, 2000, Board Staff telephoned Dr. Zonis to confirm that he was aware of Respondent's probationary status and substance abuse problems. Dr. Zonis stated that Respondent had not informed him of that and, had he known, he would have treated Respondent differently.

11. In public session on June 10, 2000, Respondent admitted that he had not informed his treating physician of his probationary status. Respondent also admitted to taking samples of Ultram from his office for personal use.

12. In public session, the Board voted on June 10, 2000 that Respondent was medically and/or psychologically unable to engage in the practice of medicine and was an immediate threat to the health, safety and welfare of the public.

13. Respondent requested that he enter into a Stipulated Consent Order for assessment and in-patient treatment and having completed such treatment be placed under terms of Probation for a five-year period to include rehabilitation, practice restriction and monitoring. In public session, the Board voted on August 19, 2000 that Respondent was medically and/or psychologically unable to engage in the practice of medicine and authorized the Board's Executive Director to sign and issue a Stipulated Consent Order regarding suspension of Respondent's medical license.

14. On or about August 2, 2000, Respondent entered into treatment at Springbrook Northwest Rehabilitation Center ("Springbrook") in Newberg, Oregon. Respondent completed treatment and was discharged on October 27, 2000.

15. On or about December 9, 2000 Respondent appeared before the Board to request reinstatement of his medical license under probationary terms and conditions including monitoring. The Board voted to agree to the terms and conditions of this Stipulated Consent Order at a public

meeting on December 9, 2000.

CONCLUSIONS OF LAW

1. Pursuant to Arizona Revised Statutes § 32-1800, et seq., the Arizona Board of Osteopathic Examiners in Medicine and Surgery possesses jurisdiction over the subject matter hereof and over the application for license submitted by Basem Meri, D.O.

2. The Board has the authority to enter a final order and to enter into an agreement for the stipulated disposition of this matter pursuant to A.R.S. § 32-1822(D).

3. Based upon the Findings of Fact set forth above herein, the Board concludes that it has the requisite factual basis and legal authority to order probation of Respondent's license.
