RECEIVED
Sept. 9, 1952
WESLEY BOLIN
Sec'y. of State

The Honorable Wesley Bolin
Secretary of State
State House
Phoenix, Arizona

My Dear Secretary:

In reply to your letter of July 15, 1952 regarding the filing of a certified copy of all rules and regulations governing the operation of our Board, I shall have to state that so far we have been acting only in accordance with provisions of Chapter 121, Senate Bill No. 100, 1949, copy of which is enclosed.

I believe that some action will be taken at our next Board meeting regarding postgraduate requirements for annual re-registration of licenses. This meeting is scheduled for October 9.

If action is taken regarding the proposed license re-registration rules, I shall send you a certified copy within a few days after the meeting.

Yours very truly,

/s/ Russell Peterson

**Arizona State Osteopathic Board
Registration and Examination
in
Medicine and Surgery
Chapter 121**

Senate Bill No. 100

1949

CHAPTER 121

SENATE BILL NO. 100

AN ACT

Relating to the practice of medicine and surgery as osteopathic physicians and surgeons, to provide for licenses and regulations therefor and to repeal all acts or parts of acts in conflict thereto.

Be it enacted by the Legislature of the State of Arizona:

Sec 1. *Short title.* This Act shall be known as the "medical practice Act for osteopathic physicians and surgeons".

Sec. 2. *Creation of board; qualifications; term of office.* There is hereby created, a state osteopathic board of registration and examination in medicine and surgery, to be composed of five members appointed by the governor, and wherever the word "board" is used herein it shall be deemed to mean the said board herein created. Within thirty days after this Act shall take effect the governor shall appoint five board members, one of whom shall hold office for a term of one year, one for a term of two years, one for a term of three years, one for a term of four years, and one for a term of five years. Upon the expiration of the term of each member so appointed, the governor shall appoint a successor for a term of five years and thereafter the term of each board member to be appointed shall be five years. One member of the board shall be a member of the lay public not in any manner connected with, or having an interest in, any school of medicine or any person practicing any form of healing or treatment of bodily or mental ailments and who shall have demonstrated an interest in the health problems of the state. The other four members shall be members in good standing of the state association

of osteopathic physicians and surgeons and shall have engaged in the practice of medicine as an osteopathic physician in this state for at least two years preceding their appointments, each of whom shall be appointed from a panel of five qualified persons whose names shall have been submitted to the governor by the said association. Members of the board appointed under this Act shall continue in office until their successors are appointed and qualified. Vacancies occurring on the board shall be filled by the governor for the unexpired term of any member whose office has been vacated, in the same manner as an original appointment. Each board member, prior to entering upon his duties shall take oath prescribed by law and in addition thereto shall make oath as to his qualifications as prescribed herein. Board members may be removed by the governor for neglect of duty, malfeasance, or misfeasance, in their office, or any duty thereof.

Sec. 3. *Powers and duties of the board.* The board shall conduct all examinations for applicants for a license hereunder, issue licenses, conduct hearings, revoke or suspend licenses, and administer and enforce all provisions of this Act and shall have full power and authority to make and adopt rules and regulations necessary or proper for the administration thereof. The board shall designate which hospitals are approved for interne training and which osteopathic schools, or colleges, are approved, provided an approved school, college or hospital shall have at least the minimum educational and training standards established by the American Osteopathic Association. The board is charged with and shall enforce within the osteopathic profession in this state the standards of practice prescribed by this Act and the rules and regulations adopted by the board pursuant to the authority granted by this Act. It shall collect and account for all fees provided hereunder and cause same to be paid to the state treasurer. The board shall maintain a record of its acts and proceedings, including, but not limited to, the issuance, refusal, renewal, suspension or revocation of licenses to practice according to the terms hereof and shall maintain a roster of all osteopathic physicians and surgeons registered under this Act, which roster shall indicate the name of the licensed physician, his current place of business and residence, the date and number of the certificate issued to him under this Act and whether the license is in good standing. The records of the board shall be open to public inspection at all reasonable times. The board shall adopt and use a seal, the imprint of which, together with the signatures of the president or vice-president of the board and the secretary-treasurer shall evidence its official acts.

Sec. 4. *Meetings of the board.* The board shall hold its first meeting on call of the governor within sixty days after this Act shall take effect and shall thereafter hold annual meetings on the fifteenth

day of January of each year in the city of Phoenix and may hold other meetings at such times and places as may be determined upon by a majority of the board upon giving to each member thereof a ten days' written notice thereof. A majority of the members of the board shall constitute a quorum and a majority vote of any quorum present at any meeting shall govern all actions taken except that licenses shall be issued hereunder only upon the vote of a majority of the full board. At the first, and each annual meeting of the board thereafter, it shall select from among its members a president and vice-president who shall serve until their successors are chosen. Each board member shall receive the sum of ten dollars for each full day actually engaged in carrying out his duties as an officer or member of the board, together with all expenses necessarily and properly incurred in attending meetings or in performing his duties, all of which shall be paid from the osteopathic board fund created under this Act.

Sec. 5. *Secretary-treasurer; appointment; duties.* The board shall appoint a secretary-treasurer, not a member of the board, who shall serve at the pleasure of the board and who shall receive an annual salary to be paid from the osteopathic board fund, payable in monthly installments, in an amount to be fixed by the board but not in excess of twelve hundred dollars. The secretary-treasurer shall be charged with the following duties and authority:

- (1) Serve as administrative assistant to the board.
- (2) Collect all monies due and payable to the board.
- (3) Pay to the state treasurer any monies received by the board.
- (4) Prepare bills for authorized expenditures of the board and obtain warrants from the state auditor for payment of bills certified by the president or vice-president and secretary-treasurer of the board.
- (5) Administer oaths.
- (6) Act as custodian of the seal, books, records, minutes and proceedings.
- (7) Do and perform any other duty prescribed for him elsewhere in this Act. The secretary-treasurer shall, before entering upon his duties, give a bond for the faithful performance of his duties, in such a reasonable amount and with such surety or sureties, as the board shall deem proper, the premium for which shall be paid by the board.

Sec. 6. *Osteopathic board fund created; disbursements.* All monies received by the board, from whatever source, shall be paid to the secretary-treasurer who shall before the end of each calendar

month deposit said monies with the state treasurer, who shall transfer ninety per cent to an osteopathic board fund, which is hereby created and deposit ten per cent in the general fund. All such monies so deposited to the osteopathic board fund shall be held for the use of the board for the administration and enforcement of this Act and all monies expended by the board hereunder shall be paid from said fund. All sums paid from said fund shall be on warrants drawn on the state auditor upon presentment of a proper claim or voucher by the board, approved and signed by the president or vice-president and secretary-treasurer thereof. Upon this Act taking effect there shall be transferred to the osteopathic board fund herein created all sums of money in the hands of the state treasurer at that time credited to the osteopathic board fund created under article 6, chapter 33, Laws of 1941.

Sec. 7. *License; qualifications; requirements.* No person shall practice medicine and surgery as an osteopathic physician and surgeon without holding a license issued by the board under the provisions of this Act. Licenses shall be granted only to applicants who possess the following qualifications and comply with the following requirements:

(1) Be a citizen of the United States, or has declared his intention to become such under the laws of the United States.

(2) Be a person of good moral character over twenty-one years of age and a graduate from an osteopathic college or school having the approval of the American Osteopathic Association.

(3) Hold a certificate of registration of applicant in the basic sciences issued by the Arizona state board of examiners in basic sciences.

(4) Submit a verified application for a license on forms prepared by the board, accompanied by affidavits from three reputable osteopathic physicians and surgeons attesting to the good moral character of applicant and to his fitness to practice medicine and surgery as an osteopathic physician and surgeon.

(5) Successfully pass an examination as provided in this Act, provided, however, that the board shall have authority to waive any such examination in its discretion if the applicant possesses a certificate from the National Board of Examiners for Osteopathic Physicians and Surgeons, indicating he has been examined by questions approved by the board, or possesses a license to practice as an osteopathic physician and surgeon issued under the authority of any other state, territory or District of Columbia, whose standards are comparable to those provided in this Act, as determined by the board.

(6) Pay to the board a fee of twenty-five dollars at the time application is made and pay an additional fee of twenty-five dollars to the board at the time the license is issued, provided, however, if a license is issued without an examination the fee to be paid by applicant at the time the license is issued shall be seventy-five dollars.

(7) Submit to a personal interview at such reasonable time and place as prescribed by the board.

Sec. 8. *Examinations.* Examination for a license to practice under this Act shall include all such subjects as are generally accepted as necessary to a thorough knowledge of the practice of medicine and surgery as osteopathic physicians and surgeons. The board shall prescribe rules and regulations under which the examination shall be given and set the passing grade indicating successful completion of the examination. Examinations shall be conducted at times and places to be designated by the board no less than twice in any one year. Written notice of the date and place of examination shall be mailed to all applicants not less than thirty days prior to the date of the examination. The board shall review the examination of any applicant upon his request, and any mark on an examination re-examined by the board can be changed only by the majority vote of the members of the board. A person failing to pass an examination may be re-examined at any subsequent examination times, within one year without further payment of fees. Persons examined in writing shall be known and designated by numbers only and the corresponding names shall be kept secret until after the grading of such examinations.

Sec. 9. *Practice of medicine and surgery as osteopathic physicians and surgeons.* Any person holding a license under this Act, to practice medicine and surgery as an osteopathic physician and surgeon, shall be subject to all state and municipal laws and regulations pertaining to public health and in diagnosing or prognosticating any human ills and treating same, as an osteopathic physician and surgeon, shall be subjected to all the same duties and obligations and authorized to exercise all the same rights and privileges possessed by physicians and surgeons of other complete schools of medicine in the practice of their profession except that no osteopathic physician or surgeon shall perform major surgery unless he has had two years of surgical training in a hospital approved for such training by the board or shall demonstrate to the board equivalent training, and the board shall certify in writing to the applicant his right to perform major surgery before engaging in any such duties.

Sec. 10. *Renewal of certificates.* Every person holding a license under this Act shall renew same prior to the first day of January in

each year. No less than thirty days prior to January 1 of each year the secretary-treasurer of the board shall notify each license holder of the necessity of renewing his license. The license holder shall furnish to the secretary-treasurer evidence of having attended, within the year, a refresher course approved by the board of at least two days duration and pay to the board the renewal fee of not more than ten dollars as prescribed by the Board and the secretary-treasurer shall issue a proper renewal receipt to the license holder. The failure to renew a certificate shall operate to suspend the rights and privileges granted hereunder. Any certificate may be reinstated by complying with the conditions necessary to renew a license and the payment of a fee of twenty-five dollars.

Sec. 11. *Revocation; suspension.* The board shall have the power to revoke, or to suspend for a limited period, any license issued under this Act where the license holder is guilty of any of the following:

- (1) Conviction of a felony.
- (2) Conviction of a misdemeanor involving moral turpitude.
- (3) Violation of any of the provisions of this Act.
- (4) Fraud or deceit in securing a license or renewal hereunder.
- (5) Unprofessional conduct, which shall be deemed to include (a) intentional or wilful betrayal of a professional secret, (b) procuring, or aiding or abetting in the procurement of, a criminal abortion, (c) receiving or giving of any rebates of professional fees, (d) gross inefficiency, or (e) habitual intemperance or gross immorality.

The board shall have authority to make investigations, employ investigators and attorneys and conduct hearings to determine whether any license issued pursuant to the provisions of this Act should be revoked or suspended. Any board member, or the attorney general, or any county attorney who has cause to believe any person holding a license under this Act is guilty of any conduct above enumerated as grounds for revocation or suspension of a license may file with the board a complaint against such person, setting forth the alleged wrongful conduct, a copy of which complaint shall be forwarded within five days after filing with the board, by United States registered mail, to the person charged with wrongful conduct. The board shall promptly set a date for hearing and notify the accused of the time and place for hearing said complaint, which notice shall be sent no less than thirty days prior to the date of such hearing. Within ten days after receipt of the copy of the complaint, the person charged shall file with the board an answer, specifically admitting or denying each material allegations of the complaint. The attorney general shall represent the board and the

board may employ other counsel, and pay reasonable fees therefor, which authority so to do is hereby granted. The accused shall be entitled to be represented by his own counsel. The board shall have the authority to take depositions and to compel the attendance of witnesses and to issue subpoenas, which may be served by any person authorized by law to serve subpoenas issued out of the superior court and make due return thereof. Witnesses attending any hearing of the board shall be entitled to receive from the board, or other party requiring such attendance, fees and mileage as provided by law for attendance in the superior court of this state. Upon the conclusion of any hearing, as provided for herein, the board shall have the duty to make and enter upon its records a finding, suspending, revoking, or continuing in effect the license under inquiry.

Sec. 12. *Appeal from ruling of board.* In the event any person whose license has been ordered revoked or suspended by the board feels aggrieved by any such ruling of the board, he may appeal to the superior court of the state of Arizona in and for the county of Maricopa by filing with the clerk of said court, within thirty days after the ruling appealed from, his certified petition to review the action of the board, setting forth therein the reasons therefor, a copy of which petition shall be sent by registered mail to the board by the person so appealing. The petition shall be docketed as a civil cause in the name of the board as plaintiff and in the name of the person taking the appeal as defendant. The board shall, within thirty days after the receipt of the copy of such petition, cause to be filed in said superior court a transcript of the evidence taken at the hearing along with all exhibits received in evidence and a copy of the ruling of the board. In the discretion of the court the time for filing such transcript may be extended for a period of not more than thirty days. If no transcript be filed as provided herein, the court shall enter an order vacating the ruling of the board in revoking or suspending any license, and reinstate said license.

Sec. 13. *Hearing on appeal.* The superior court shall set for hearing the appeal taken by the said aggrieved person as soon as practicable after the transcript is filed. The court shall review the record and may permit introduction of additional evidence by either party and shall enter an order either affirming or vacating the action of the board, which order shall be considered a final judgment of such court from which an appeal may be taken by either party to the supreme court as in other civil cases. Pending an appeal from the ruling of the board to superior court, license holder appealing may continue his practice under his license until final judgment of the superior court.

Sec. 14. *Recording of licenses.* Every person holding a license to practice under this Act shall cause same to be recorded in the

office of the recorder of the county of his residence, and said county recorder shall keep a record of same in a book to be kept by him for that purpose. Such license shall be displayed in the office of all persons holding a license under this Act.

Sec. 15. *Interne training authorized.* Any person who is a graduate from any approved college or school may be permitted by the board in its discretion to serve as an interne in any approved hospital in the state for any designated period of time not to exceed one year. No license for such internship as otherwise contemplated by and provided for in this Act shall be required, but the board shall issue an appropriate permit authorizing such internship.

Sec. 16. *HOLDERS OF EXISTING LICENSES.* The license of any person to practice as an osteopathic physician and surgeon in this state in good standing at the time this Act takes effect shall continue in force and effect the same as though issued hereunder until time for renewal thereof, which shall be accomplished under the renewal provisions hereof and there shall then be issued to such a license holder a new license under this Act, and thereafter all persons affected by this Act shall be subject to the provisions hereof.

Sec. 17. *Designation.* Any person practicing under this Act shall designate himself and sign his name, wherever required, in any capacity as "Osteopathic Physician and Surgeon", "Osteopathic Physician", "Doctor of Osteopathy" or by using and affixing the initials "D. O." after his name.

Sec. 18. *Savings clause.* Nothing in the Medical Practice Act for osteopathic physicians and surgeons shall be construed to prevent:

(1) A duly licensed physician and surgeon of any other state, district or territory from meeting a person registered under this Act within this state for consultation.

(2) Any physician and surgeon duly licensed in a neighboring state from extending his practice into this state, provided that he does not open an office or appoint a place of meeting or receive calls in this state.

(3) The practice of any other method, system or science of healing by a person duly licensed therefor under the laws of this state.

(4) The practice by physicians and surgeons discharging their duties while members of the armed forces of the United States, or other federal agencies.

Sec. 19. *Violation of Act punished.* Any person who practices, or attempts to practice medicine and surgery as an osteopathic phy-

sician and surgeon without compliance with the provisions of this Act, or any person who violates any of the provisions hereof, shall be guilty of a misdemeanor, punishable on conviction, by a fine of not less than fifty dollars nor more than five hundred dollars or by imprisonment in the county jail for a period not to exceed ninety days, or by both.

Sec. 20. *Separability clause.* The terms of this Act are declared to be separable, and should any word, phrase, sentence or section hereof be declared unconstitutional or otherwise invalid, the remainder of this Act shall not thereby be affected but remain in full force and effect for all intents and purposes.

Sec. 21. *Repeal.* Chapter 33, Laws 1941, and all other Acts and parts of Acts inconsistent with this Act are hereby repealed except for prosecutions commenced or penalties incurred thereunder, and any amendments thereto.

Sec. 22. *Emergency.* To preserve the public peace, health, and safety it is necessary that this Act become immediately operative. It is therefore declared to be an emergency measure, to take effect as provided by law.

Approved by the Governor—March 29, 1949.

Filed in the Office of the
Secretary of State—March 29, 1949.

RULES AND REGULATIONS OF THE ARIZONA STATE
OSTEOPATHIC BOARD OF REGISTRATION AND EXAM-
INATION IN MEDICINE AND SURGERY, AS AUTHORIZED
BY SECTION 67-2123, ARIZONA CODE ANNOTATED 1939

(Laws 1949, Chap. 121, Sec. 3, page 247)

1. Annual refresher training necessitates that the Board only approve refresher courses which:
 - (a) Are conducted by an established and recognized organization or association;
 - (b) Have an organized professional osteopathic educational program or course of study covering a minimum duration of two days presented by one or more licensed doctors of osteopathy who are graduates of colleges approved by this Board.
2. The Board, after due consideration and investigation, has determined that the courses of at least two days' duration conducted by osteopathic colleges, state osteopathic associations and osteopathic specialty organizations which are affiliated with the American Osteopathic Association comply with the legal requirements. The courses of organizations affiliated with the American Osteopathic Association have organized integrated educational programs and the lecturers or instructors are persons of good professional reputation. They are hereby approved as refresher courses by the Board, as are also the educational courses conducted by the American Osteopathic Association, itself. The Board will not approve refresher courses conducted by individuals or groups which are not recognized and accepted by the profession generally as being of such educational value as to justify approval.
3. License holders who intend to submit for approval evidence of attendance at refresher courses not approved by the Board shall give adequate notice (not less than 60 days) to the Board and present information concerning the courses so that the Board may determine their reputability prior to the attendance of the license holder. Failure to submit such information concerning nonapproved courses, including a copy of the educational program and the names of the lecturers or instructors, shall be at the risk of the license holder and his sole responsibility.
4. Failure to present evidence of attendance at an approved course during the year, shall operate to suspend the rights and privi-

leges granted under the license, as provided by law, without further notification by the Board. A license holder who fails to renew his license by January 1 is by Section 19 of the Act prohibited from practicing until his license is reinstated.

5. No person shall advertise to the public by written or spoken word that he is a specialist in any field of the healing arts unless he has been certified by the Board of the American Osteopathic Association covering such a specialty and/or can evidence equal or comparable training and study to meet the qualifications of that specialty board.
6. Signs that are for display upon the face of a building or in the yard shall be controlled by the following schedule: letters on signs shall be no larger than three inches in height when displayed at the sidewalk and for each ten feet the sign is recessed from the sidewalk one inch may be added to the height of the lettering.
7. No applicant shall be granted an Arizona Osteopathic license by reciprocity if he graduated from a duly recognized osteopathic college prior to January 1, 1940, unless the applicant can show evidence of having passed two years of acceptable pre-osteopathic college work or its equivalent.
8. Certification as a major surgeon—qualifications:
 - (a) Two years surgical training in a hospital approved by this Board, or
 - (b) Be certified in surgery by the American Osteopathic Board of Surgery, or
 - (c) Be a member of the American College of Osteopathic Surgeons, or
 - (d) Have served a preceptorship under a qualified surgeon who is satisfactory to this Board.
9. Major surgery shall be deemed the opening of any closed cavity for the removal of any tissue or to inspect that or any other adjacent cavity.
10. Hospital credentials submitted by an applicant to this Board must be from a hospital approved for intern training by this Board at the time the internship was served.
11. Examinations:
 - (a) Examinations for licensure may be either written, oral or both, at the discretion of the Board.
 - (b) If the examination in any one subject be all in writing, it shall consist of ten (10) questions.

- (c) Each applicant for licensure by examination, in order to be licensed, shall have a general average grade of not less than 75%, provided that no applicant for licensure by examination shall be licensed if a grade of less than 75% but not less than 65% is made in more than one subject even though his general average be 75%, or more.
- (d) Any applicant for an Arizona Osteopathic License examination, who fails in more than two (2) subjects shall be entitled to re-examination in all subjects at any subsequent examination time within one (1) year from date of examination without further payment of fees; and if he fails in only one or two subjects, he shall be entitled to re-examination in the failed subjects only at any subsequent examination time within one (1) year, without further payment of fees.

STATE OF ARIZONA:

ss.

County of Maricopa:

I, RUSSELL PETERSON, D.O., Secretary of the Arizona State Osteopathic Board of Registration and Examination in Medicine and Surgery, do hereby certify that I have compared the foregoing copy of the Rules and Regulations of the Arizona State Osteopathic Board of Registration and Examination in Medicine and Surgery with the originals now on file in this office, and do declare that the same is a full, true and correct copy thereof.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the Arizona State Osteopathic Board of Registration and Examination in Medicine and Surgery this 23rd day of December, 1952.

Dear Mr. Bolin:

Enclosed is the original and two copies of Notice of Repeal of Rule No. 7 of our Board which reads as follows:

"No applicant shall be granted an Arizona Osteopathic license by reciprocity if he graduated from a duly recognized osteopathic college prior to January 1, 1940, unless the applicant can show evidence of having passed two years of acceptable pre-osteopathic college work or its equivalent."

This repeal was moved at our last Board meeting held in Tucson, Arizona, on April 30, 1953 after consultation with and upon the advice of our Attorney General's Department.
